“**Skilling and Empowering Youth For A Better Tomorrow**”

The Tata Institute of Social Sciences (TISS), in consultation with the Ministry of Youth Affairs & Sports (GoI) and the National Skill Development Agency (NSDA), started a project, titled “The National University - Students’ Skill Development (NUSSD)” by introducing “Skill Training” for college students, so that the graduating youth acquire job related skills through immersive projects.

WHY NUSSD?

The employability of India's university graduates continues to remain weak even while there is an acute shortage of skilled manpower in an increasing number of high demand sectors. The youth is thus disillusioned about job opportunities post their studies. Unfortunately, though they have educational degrees, they lack skills and the experience to get employed.

Overall, NUSSD is aimed at:

- Helping students gain sustainable and relevant employable skills along with their degree to find work after graduation
- Capacity building of the Youth to be responsible citizens
- Positioning the Youth as Agents of Social and Economic Transformation

Courses Offered

NUSSD courses have an integrated framework that pedagogically links academic course content, skill training and application as a unique educational experience. They have been designed in a modular, interlinked and iterative manner; cumulatively building knowledge, skills, and competencies; administered through classes and field work.

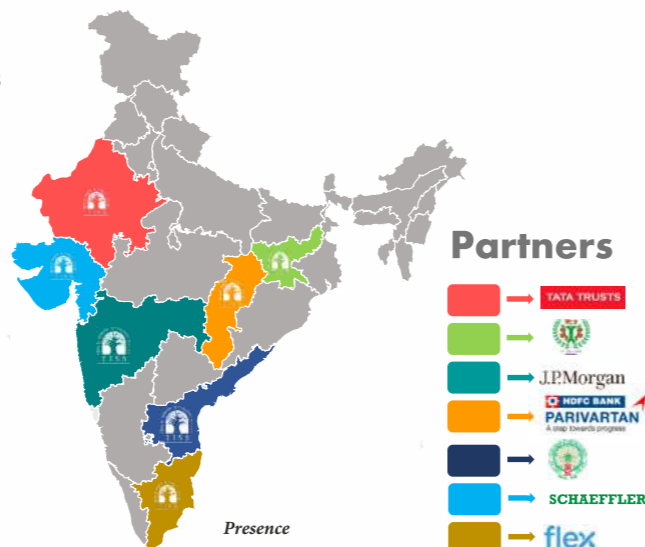

Certificate In Management & Soft Skills

- English Communication
- Financial Literacy
- Digital Literacy
- Working with Communities
- Legal Literacy

Placement Support

The NUSSD programme supports students by conducting Pool campus and Off campus placements to place at least 70 percent of its students in meaningful jobs. By engaging the college and students' core committee in the placement process, TISS also supports and strengthens the existing placement cells in the colleges and universities where the programme is being conducted.

In recognition of the efforts and impact, the United Nations (UN) Major Group for Children and Youth recognised the 'NUSSD' as a "Skill Development Best Practice" in the country.
